WOOSTER UNITED METHODIST CHURCH SUNDAY SCHOOL

The 2025/26 Sunday School year brings a few updates—read on to discover the opportunities for your family!

Wonder

This class is for students PreK-Grade 2. Wonder meets in the Yellow Room (Rm. 213) on the 2nd floor and will be taught by Sara Oberst, Tiffany Browning, and Ali Vizzo. We're excited to have Jane Braddock lead music each Sunday as class begins!

Spark

This class is for students Grades 3-5. Spark meets in the Blue Room (Rm. 216 next to the children's library) and will be taught by Beth Poremba, Rachael Fishburn, and Ali Vizzo.

Curriculum

Both Elementary Aged classes will learn through age-appropriate lessons from the Big Faith curriculum. Each session of Big Faith invites children to explore their faith in the context of their everyday lives. Within each session, children will be introduced to a faith concept; explore a Bible story together through storytelling and video; participate in age-appropriate, hands-on activities; and reflect upon and share what they have learned with one another. This fall's lessons revolve around "Faith in God," with the first unit's theme being "God Rescues Us."

Parents are invited to hang out in Wesley Hall and visit with other parents during the 9:00 hour. Looking for an adult Sunday School class? Check out the Trailseekers in Room C (right outside the kitchen). This class is led by Jane and Dave Braddock and enjoys short-term studies and conversations of faith in a relaxed setting.

Rally Day will take place on Sunday, September 14!
Everyone will meet in Wesley Hall at 9:00a for a short ice breaker. Children will then be dismissed to their classrooms.

Sunday, October 12 | 4:30p

Our children and youth fall gathering will take place at the Moore's cabin; watch next month's newsletter

INFORMATION FORMS NEEDED

With a new year of Sunday School classes comes the need to update information forms. Paper copies are enclosed; complete and return to Ali. Or scan this code for a fillable online form.
